

AGUREEV ROMAN

(+7)9174679476 ♦ Agureev.RS@phystech.edu ♦ github.com/romanagureev

EDUCATION

Moscow Institute of Physics and Technology, Moscow
Bachelors degree in Applied Math and Computer Science
Department of Innovations and High Technologies

August 2018 - Present

PROJECTS

GitHub
github.com/romanagureev/CV

WORK EXPERIENCE

Yandex, Moscow
Intern Developer

July - October 2019

- Worked with cache system, different internal APIs and regexp compilers(Pire and Hyperscan).

Huawei, Moscow
Intern Developer

July - October 2020

- Research and development in AR/VR team, SLAM(simultaneous localization and mapping) problem.

TECHNICAL SKILLS

Programming	Python, C++, bash
Technologies	Linux, PostgreSQL, git, flask, SQLAlchemy

HONORS AND AWARDS

Northern Eurasia Online Finals (ICPC Semifinals)	32nd place
2020, Russia. 3867 participants from 12 countries. This is the one of the most prestigious computer science competitions in CIS region for students.	

Russian Math Olympiad	Second award
